

Armor Guard

Surface Conditioner & Protectant

#107311

Armor Guard is a premium silicone emulsion treatment that conditions and protects vinyl, plastic, rubber, wood, metal, chrome, fiberglass, seats and dash. Using **Armor Guard** on these surfaces protects against checking, dulling, racking, sun fading, and aging while renewing an original finish and restoring a "like new" luster.

Nobody Solves Tough Cleaning Challenges Better.

Armor Guard

FEATURES

- Premium Silicone Emulsions Treatment- Conditions & protects.
- Protects against - checking, dulling, cracking, sun fading, and aging
- Renews the original finish and restores to a "like new" luster.
- Use on: vinyl, plastic, rubber, wood, metal, chrome, fiberglass, seats & dash.

Professional Recommendations

- Use a three-step method, which is effective for all applications.
- Avoid cleaning hot vehicles. Cleaning solutions tend to dry fast and leave streaky residues. Park in shade if possible to cool before cleaning
